Dear FLATLS,

This week the House and Senate filed their appropriations bills, which were formerly proposed bills. Amendment deadlines to the appropriations bills are the beginning of next week. The final appropriations bills will be voted on by the House and Senate on Wednesday of next week. Once the amendments are filed, we'll see what areas are being worked on and see how the final budget is approached. Conferees will be selected from the House and Senate midweek to debate and compromise the legislature's final budget.

The Senate budget has cuts ranging from 2/5% - 3% cuts for the court system with approximately 382 jobs lost. The House budget has substantially higher cuts between 6% - 10%, with a loss of 600 – 900 positions in the court system.

Senate: [SB 2900](#) On Wednesday, April 2nd, the Senate filed the Appropriations bills that were formerly the Appropriations Proposed bills. Thursday, April 3rd, **President Pro Tempore Carlton** outlined the Appropriations and conforming bills amendment deadlines during today's Senate Session, and the Senate Appropriations bills (SB 2900 & SB 2902) were filed.

House: [HB 5001](#) The **House Policy & Budget Council** released amendments to the 2008-2009 Appropriations PCBs and conforming legislation on Tuesday. Thursday, the Council released the text for HB 5001 (Relating to General Appropriations Act for Fiscal Year 2008-2009).

Senate Criminal & Civil Justice Appropriations Committee

The court budget, including three amendments, was considered and passed with no real debate from committee members.

Chairman Crist started the meeting by saying that there were only two areas in the budget that *required* funding, the Department of Corrections and the courts. He said that any extra monies found would go to those two areas only. **Chairman Crist** said the committee "cut as shallow as possible for 99% of you" and that cuts were made so that every department was able to function properly.

Judge Belvin Perry thanked the committee for their hard work, but argued that 382 cut positions would be devastating, like a “stake through the heart” of the court system. He said that underfunding the courts would create an ineffective system and the Judicial Branch of government would lose its ability to truly function. **Sen. Villalobos** responded that the consequences of accepting the House budget would be much worse.

UPDATE: Several bills that we are monitoring were heard in committees and councils this week.

SB 2076 - Arbitration

The Arbitration bill was heard in the **Senate Commerce Committee** on Tuesday. There were many there to speak against the bill, including:

- Chamber of Commerce
- Florida Justice Reform Institute
- AIF
- Florida Health Care Association
- Restaurant Association
- Florida Medical Association
- Florida Building Materials Association

Those against the bill argued that the system works well the way it is and there is no reason to change it. The only group to speak in support of the bill was the **Florida Justice Academy**, who has asked us to do the same. **SB 2076** passed through committee with a vote of 6 YEAS and 2 NAYS. The bill still has several committees and council to pass through. The House version, **HB 1219** has not moved.

HB 295 / SB 740 – Retired/Senior Judges

HB 295 and **SB 740** were both scheduled to be heard this week. **HB 295** passed through the **Safety & Security Council** with a vote of 10 YEAS, 5 NAYS. **SB 740** was not considered during the **Senate Judiciary Committee**. The **Florida Justice Academy** has asked us to oppose the bill, but the section has decided not to take a position. There has been a good amount of debate over whether judges who have not been re-elected should be allowed to serve as senior judges, and whether it goes against the will of the people.

HB 1341 – Contingency Fees

HB 1341 passed favorably from the House Session floor with a vote of 78 YEAS and 37 NAYS. Many view this legislation as **Attorney General McCollum** trying to bind future Attorneys General by statute and as a direct attack on trial attorneys. The **Florida Justice Academy** has asked us to oppose this bill as well. The Senate version, **SB 2430**, has yet to be scheduled for a committee hearing.

LEGISLATIVE BRIEFS: During the course of the legislative cycle, the Trial Lawyers Section may be asked to provide their expertise in the form of “Legislative Briefs” – a neutral statement of one or more aspects of trial law to assist the legislature in its deliberations. We will archive these briefs in this section of our reports.

OTHER POINTS OF INTEREST: Remember that members of the Florida Legislature receive information from a number of sources prior to and during the Legislative session. One of those sources is called the Florida Government Accountability Report (FGAR), which is published by the Office of Program Policy Analysis & Government Accountability (OPPAGA).

These reports contain basic information about every agency of state government, including the entire court system. If you would like to see the information that is provided to legislators on the court system, which was last updated on November 16, 2007, please review the following links.
